

From listing to leads, faster.

AI-powered property marketing for real estate agencies

Plug into WhatsApp & web — structure, translate, and reply in seconds .
Faster responses → more booked viewings .

The Problem

Agents juggle WhatsApp , email , and scattered notes .
Conversations slip . Follow-ups get missed . Deals fall through .

The Solution

Kintra captures every client interaction , summarizes instantly ,
and generates smart next-steps.

Nothing missed . Every lead nurtured .

Pilot Plan

- ✓ 2–4 week pilot tailored to your workflow
- ✓ Test with 3–5 live client interactions
- ✓ Auto-summaries + smart prompts
- ✓ Success = 30+ minutes saved per rep daily
